**Matter:** Precision Multi-dimensional Capacitive Transducer 09/413,494

Dear Norma:

Attached is a copy of the response filed May 7, 2001 along with a copy of the date stamped return post card. This was filed by prior counsel in response to the Notice of Non-Compliance mailed 05/01/2000. Our records do not indicate any further communication from the USPTO. Please be advised that prior counsel fell ill and had to leave the practice of law. This file was returned by the State of Minnesota to the inventor who forwarded the matter to us. It appears we are waiting on action from an examiner in response to the attached amendment? Please advise us regarding the status of this matter. Thank you very much for your assistance.

Best Regards,

Sarah Reinhard
